Clavister WolfSeries

W7

Clavister Wolf Series – high performance, excellent scalability and robust functionality

The Clavister W7 is targeted towards large data centers, service providers and high-end enterprise backbone security solutions. Clavister W7 delivers incredible performance, up to 20 Gbps in a single 1U 19" rack mount and is perfect for situations where security is first priority and speed is key to get the job done.

For organizations with large investments in copper-based network infrastructure, the copper-centric approach of the Clavister W7 enables them to continue to utilize its investment, and start to adopt newer fiber-based network components seamlessly. This makes the Clavister W7 the perfect solution bridging existing network solutions with newer fiber investments.

Key Features

Massive firewall performance

- With up to 20 Gbps in firewall performance, the Clavister W7 delivers a massive amount of processing in a cost-effective package.

Comprehensive connectivity

- The Clavister W7 offers comprehensive connectivity with sixteen 1GbE (RJ45) ports, two 10GbE (SFP+) ports and four 1GbE (SFP) ports.

Dedicated management and HA ports

- In addition to the fiber-centric connectivity, the Clavister W7 also comes equipped with four dedicated ports for high-availability connectivity and management.

Key Benefits

Excellent value for money

- The Clavister W7 packs a lot of processing power into the beautiful, purpose-built 1U 19" rack mount. This cost-effective solution offers multi-Gigabit firewalling security for a wide range of network applications.

Support for Clavister Security Subscription

- Being secure means to have it all. Clavister W7 supports Clavister Security Subscription, which include all our product and support services. With Clavister Security Subscription your installation is always secure and fully served.

Clavister Wolf Series Specifications

Performance

Performance	Clavister W7	Clavister W7 Pro
Firewall Performance (Gbps)	10	20
VPN Performance (Gbps)	5	10
Concurrent Connections	5 000 000	10 000 000
Concurrent VPN Tunnels (IPsec)	5 000	10 000
Ethernet Interfaces	2 x 10GbE (SFP+), 4 x 1GbE (SFP), 16 x 1GbE (RJ45)	
Management/High Availability (HA) Ports	2 x 10GbE (SFP+), 2 x 1GbE (RJ45)	
Virtual Interfaces (VLAN 802.1q)	512	1 024
Virtual Routers	250	500
Clavister cOS	Clavister cOS Stream	Clavister cOS Stream

Hardware

Hardware	
Form Factor	1U 19" rack mount
Warranty	All Clavister Wolf Series products include a two (2) years standard RMA warranty.

Specifications subject to change without further notice.
